

ORDINANCE NO. 95-014

VILLAGE OF DIXMOOR

AN ORDINANCE AMENDING THE VILLAGE CODE OF  
ORDINANCES CREATING THE OFFENSE OF PUBLIC INDECENCY

WHEREAS, the Village of Dixmoor is a community known for its wholesome civic and recreational activities and its traditional church and family-oriented lifestyle; and

WHEREAS, it is in the public interest to maintain the social order, morality, health, welfare, and safety of the citizens of the Village of Dixmoor; and

WHEREAS, the President and Board of Trustees find that the prohibitions contained herein are the most reasonable and minimal restrictions required so as to regulate conduct that is adverse to the public health, safety, welfare, and morality within the Village of Dixmoor, Illinois when nudity occurs at locations where the public is present or likely to be present, or where such conduct would be readily visible to the public.

NOW, THEREFORE, BE IT ORDAINED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF DIXMOOR as follows:

**Section One.** Section 19-40 of the Dixmoor Village Code of Ordinances is hereby amended by adding a new Section 19-40, as follows:

I. ***Public Indecency.*** A person commits the offense of public indecency if they knowingly or intentionally, in a public place: (1) engage in sexual intercourse; (2) engage in deviate sexual conduct; (3) appear in a state of nudity; or (4) fondle their own genitals or those of another person.

II. ***Definitions.***

A. ***Nudity.*** Nudity means the showing of the human male or female genitals, pubic area, female breasts with less than a full opaque covering below a point immediately above the top of the areola, human male genitals in a discernibly turgid state even if completely and opaquely covered or, that portion of the buttocks which would be covered by a properly worn "thong" type bikini bottom.

B. ***Public Place.*** Public Place means any location frequented by the public, or where the public is present or likely to be present, or where a person may

reasonably be expected to be observed by members of the public. Public Places include, but are not limited to, streets, sidewalks, parks, beaches, business and commercial establishments (whether for-profit or not-for-profit and whether open to the public at large or where entrance is limited by a coverage charge or membership requirement), hotels, motels, restaurants, nightclubs, country clubs, cabarets and meeting facilities utilized by social, fraternal or similar organizations. Premises used solely as a private residence, whether permanent or temporary in nature, shall not be deemed a public place. Public places shall not include enclosed single sex public restrooms, enclosed single sex functional showers, locker and/or dressing room facilities, enclosed motel rooms and hotel rooms designed and intended for sleeping accommodations, doctors offices, churches, synagogues or similar places when used for circumcisions, baptisms or similar religious ceremonies, portions of hospitals and similar places in which nudity or exposure is necessarily and customarily expected outside of the home; nor shall it include a person appearing in a state of nudity in a modeling class operated by (1) a proprietary school licensed by the State; a college, junior college or university supported entirely or partly by taxation; or (2) a private college or university which maintains and operates educational programs in which credits are transferable to a college, junior college or a university supported entirely or partly by taxation or an accredited private college.

**Section Two.** That Section 19-40 of the Dixmoor Village Code of Ordinances is patterned after and shall be interpreted in the same manner as the Indiana Public Indecency Statute upheld by the United States Supreme Court in Barnes v. Glen Theatre, Inc., 501 U.S.560, 111 S.Ct. 2456 (1991).

**Section Three.** That the definition of Public Place set forth above shall be interpreted to be no more broad than the definition of Public Place set forth in 720 ILCS 5/11-9 (formerly Ill. Rev. Stat. Ch. 38, ¶11-9) as upheld by the Illinois Supreme Court in People v. Garrison, 82 Ill. 2d 444, 412 N.E.2d 483 (1980).

**Section Four.** A person convicted of the offense of public indecency shall be fined not less than \$500 for each offense and may be enjoined from continuing the conduct determined to be public indecency.

**Section Five.** That a person who knowingly or intentionally encourages or facilitates another person's commission of the offense of public indecency shall be deemed to have committed a public nuisance.

**Section Six.** This Ordinance shall be in full force and effect and the same shall so remain from and after its passage and approval and all ordinances or parts of ordinances in any manner in conflict herewith be and the same are hereby repealed.

Dear Sir/Madam,

Recently we sent a letter to you requesting a copy of your latest Utility Tax Ordinance along with related zip codes in order to verify and update our records.

**Please do not confuse this ordinance with the infrastructure maintenance fee.**

The Utility Tax Ordinance will state that it is either a Utility or Municipal Telecommunications Tax and will make reference to "*Persons engaged in the business of transmitting messages by means of electricity*". Please be sure to include the section of your ordinance that states the actual tax percent.

We would appreciate your forwarding this ordinance to us as soon as possible in order that we may have your appropriate tax rate on file. You may mail your ordinance to the attention of Linda Keller at the above address or fax it to us at 847-762-2757. Please include related zip codes: \_\_\_\_\_

In the event your municipality is not charging a Municipal Telecommunications/Utility Tax or you are uncertain of what we are asking for, please call 847-762-2886.

Thank you for your prompt attention to this matter.

Sincerely,

Linda Keller

VILLAGE OF DIXMOOR

**AN ORDINANCE AMENDING ELECTRICAL  
UTILITY TAX RATES AND RELATED MATTERS**

BE IT ORDAINED BY THE VILLAGE PRESIDENT AND BOARD OF TRUSTEES  
OF THE VILLAGE OF DIXMOOR as follows:

**Section One.** Section 23-11 is amended by adding the following language:

(b) **GROSS RECEIPTS TAX.** The tax imposed under this Section shall not apply with respect to gross receipts pertaining to bills for the distribution, supply, furnishing or sale of electricity where the use or consumption of the electricity is subject to the tax imposed under Section 23-11.

**Section Two.** Section 23-17 is amended by adding the following language:

(b) **OVERPAYMENT OF TAX AND CREDIT.** If a taxpayer under this chapter is unable to use a credit authorized by this section solely because the tax imposed by this chapter has been replaced by the tax imposed under this ordinance, then the taxpayer may apply such credit against any tax due under this ordinance.

**Section Three.** Section 23-11 is hereby amended by adding new subsections as follows:

(1) **Definitions.**

As used in this chapter, unless the context otherwise requires:

"Village" means the Village of Dixmoor;

"Person" means any natural, individual, firm, trust, estate, partnership, association, joint stock company, joint adventure, corporation, limited liability company, municipal corporation, the State or any of its political subdivisions, any State university created by

statute, or a receiver, trustee, conservator, or other representative appointed by order of any court;

"Person maintaining a place of business in this State" means any person having or maintaining within this State, directly or by a subsidiary or other affiliate, an office, generation, facility, distribution facility, transmission facility, sales office or other place of business, or any employee, agent, or other representative operating within this State under the authority of the person or its subsidiary or other affiliate, irrespective of whether such place of business or agent or other representative is located in this State permanently or temporarily, or whether such person, subsidiary or other affiliate is licensed or qualified to do business in this State;

"Purchase at retail" means any acquisition of electricity by a purchaser for purposes of use or consumption, and not for resale, but shall not include the use of electricity by a public utility, as defined in Section 8-11-2 of the Illinois Municipal Code (65 ILCS 5/8-11-2), directly in the generation, production, transmission, delivery or sale of electricity;

"Purchaser" means any person who uses or consumes, within the corporate limits of the Village, electricity acquired in a purchase at retail (other than an Exempt Purchaser);

"Exempt Purchaser" means the Village of Dixmoor; and

"Tax collector" means the person delivering electricity to the purchaser.

(2) Tax imposed.

A. Pursuant to Section 8-11-2 of the Illinois Municipal Code (65 ILCS 5/8-11-2) and any and all other applicable authority, a tax is imposed upon the privilege of using or consuming electricity acquired in a purchase at retail and used or consumed within the

corporate limits of the Village at the following rates, calculated on a monthly basis for each purchaser:

(i) For the first 2,000 kilowatt-hours used or consumed in a month; 0.576 cents per kilowatt-hour;

(ii) For the next 48,000 kilowatt-hours used or consumed in a month; 0.378 cents per kilowatt-hour;

(iii) For the next 50,000 kilowatt-hours used or consumed in a month; 0.340 cents per kilowatt-hour;

(iv) For the next 400,000 kilowatt-hours used or consumed in a month; 0.330 cents per kilowatt-hour;

(v) For the next 500,000 kilowatt-hours used or consumed in a month; 0.321 cents per kilowatt-hour;

(vi) For the next 2,000,000 kilowatt-hours used or consumed in a month; 0.302 cents per kilowatt-hour;

(vii) For the next 2,000,000 kilowatt-hours used or consumed in a month; 0.297 cents per kilowatt-hour;

(viii) For the next 5,000,000 kilowatt-hours used or consumed in a month; 0.293 cents per kilowatt-hour;

(ix) For the next 10,000,000 kilowatt-hours used or consumed in a month; 0.288 cents per kilowatt-hour; and

(x) For all electricity used or consumed in excess of 20,000,000 kilowatt-hours in a month; 0.283 cents per kilowatt-hour.

B. The tax is in addition to all taxes, fees and other revenue measures imposed by the Village, the State of Illinois, or any other political subdivision of the State.

C. Notwithstanding any other provision of this chapter, the tax shall not be imposed if and to the extent that imposition or collection of the tax would violate the Constitution or statutes of the United States or the Constitution of the State of Illinois.

D. The tax shall be imposed with respect to the use or consumption of electricity by residential customers beginning with the first bill issued on or after August 1, 1999; and with respect to the use or consumption of electricity by nonresidential customers beginning with the first bill issued to such customers for delivery services in accordance with Section 16-104 of the Public Utilities Act (220 ILCS 5/16-104), or the first bill issued to such customers on or after January 1, 2001, whichever issuance occurs sooner.

(3) Collection of tax.

A. Subject to the provision of Section (5) regarding the delivery of electricity to resellers, the tax imposed under this chapter shall be collected from purchasers by the person maintaining a place of business in this State who delivers electricity to such purchasers. This tax shall constitute a debt of the purchaser to the person who delivers the electricity to the purchaser and is recoverable at the same time and in the same manner as the original charge for delivering the electricity.

B. Any tax required to be collected by this chapter, and any tax in fact collected, shall constitute a debt owed to the Village by the person delivering the electricity, provided, that the person delivering electricity shall be allowed credit for such tax related to deliveries of electricity the charges for which are written off as uncollectible, and provided

further, that if such charges are thereafter collected, the delivering supplier shall be obligated to remit such tax.

C. Persons delivering electricity shall collect the tax from the purchaser by adding such tax to the gross charge for delivering the electricity. Persons delivering electricity shall also be authorized to add to such gross charge an amount equal to 3% of the tax they collect to reimburse them for their expenses incurred in keeping records, billing customers, preparing and filing returns, remitting the tax and supplying data to the Village upon request. For purposes of this chapter, any partial payment of a billed amount not specifically identified by the purchaser shall be deemed to be for the delivery of electricity.

(4) Tax remittance and return.

A. Every tax collector shall on a monthly basis file a return in a form prescribed by the Village. The return and accompanying remittance shall be due on or before the last day of the month following the month during which the tax is collected or is required to be collected under Section 23-11-3.

B. If the person delivering electricity fails to collect the tax from the purchaser or is excused from collecting the tax under Section 23-11-5, then the purchaser shall file a return in a form prescribed by the Village and pay the tax directly to the Village on or before the last day of the month following the month during which the electricity is used or consumed.

5. Resales.

A. Electricity that is delivered to a person in the Village shall be considered to be for use and consumption by that person unless the person receiving the electricity has an active resale number issued by the State of Illinois and furnishes that

number to the person who delivers the electricity, and certifies to that person that the sale is either entirely or partially nontaxable as a sale for resale.

B. If a person who receives electricity in the Village claims to be an authorized reseller of electricity, that person shall apply to the State of Illinois for a resale number. The applicant shall state facts showing why it is not liable for the tax imposed by this chapter on any purchases of electricity and shall furnish such additional information as the Village Clerk may reasonably require.

C. Upon approval of the application the Village Clerk shall assign a resale number to the applicant and shall certify the number to the applicant.

D. The Village Clerk may cancel the resale number of any person if the person fails to pay any tax payable under this chapter for electricity used or consumed by the person, or if the number: (1) was obtained through misrepresentation, or (2) is no longer necessary because the person has discontinued making resales.

E. (1) If a reseller has acquired electricity partly for use or consumption and partly for resale, the reseller shall pay the tax imposed by this chapter directly to the Village pursuant to subsection B of this Section 23-11-5 on the amount of electricity that the reseller uses or consumes, and shall collect the tax pursuant to Section 23-11-5 and remit the tax pursuant to subsection A of this Section 23-11-5 on the amount of electricity delivered by the reseller to a purchaser.

(2) Any person who delivers electricity to a reseller having an active resale number and complying with all other conditions of the section shall be excused from collecting and remitting the tax on any portion of the electricity delivered to the reseller,

provided that the person reports to the Village the total amount of electricity delivered to the reseller, and such other information that the Village may reasonably require.

(6) Books and records.

Every tax collector, and every taxpayer required to pay the tax imposed by this ordinance, shall keep accurate books and records of its business or activity, including contemporaneous books and records denoting the transactions that gave rise, or may have given rise, to any tax liability under this chapter. The books and records shall be subject to and available for inspection at all times during business hours of the day.

(7) Credits and refunds.

Notwithstanding any other provision of this Chapter in order to permit sound fiscal planning and budgeting by the Village, no person shall be entitled to a refund of, or credit for, a tax imposed under this chapter unless the person files a claim for refund or credit within one year after the date on which the tax was paid or remitted

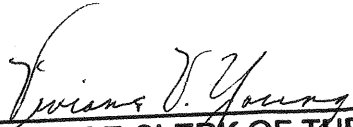

**Section Four.** Nothing in this Ordinance shall be construed as limiting any additional or further remedies that the Village may have for enforcement of this Ordinance.

**Section Five.** If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court or competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining provision hereof.

**Section Six.** This Ordinance supersedes all ordinances or parts thereof adopted prior hereto which are in conflict herewith, to the extent of such conflict.

**Section Seven.** This Ordinance shall take effect on the first day of the month next following its passage.

**Section Eight.** This Ordinance shall be in full force and effect and the same shall so remain from and after its passage and approval and all ordinances or parts of ordinances in any manner in conflict herewith be and the same are hereby repealed.

---

WHEREAS, the General Assembly has enacted the State Gift Ban Act (P.A. 90-737; House Bill 672; 5 ILCS 425/1 et seq.), which became effective on January 1, 1999; and

WHEREAS, Section 83 of the Act (5 ILCS 425/83) provides in pertinent part:

**Within 6 months after the effective date of this Act, units of local government, home rule units, and school districts shall prohibit the solicitation and acceptance of gifts, and shall enforce those prohibitions, in a manner substantially in accordance with the requirements of this Act and shall adopt provisions no less restrictive than the provisions of this Act.**

WHEREAS, in preparing to meet the mandatory July 1, 1999, deadline, imposed by the Act, the President and the Board of Trustees of the Village of Dixmoor have determined that the Act contains several procedural and substantive defects and several ambiguities and inconsistencies which make compliance with the dictates of Section 83 of the Act difficult and perhaps impossible; and

WHEREAS, while the Illinois Municipal League has requested the General Assembly to amend and clarify the Act so Illinois municipalities may have clear guidance in bringing themselves into compliance with the Act, it has become apparent that a legislative response will not be provided prior to the deadline imposed by Section 83; and

WHEREAS, the corporate authorities of the Village of Dixmoor, in an effort to comply with the action required by Section 83, hereby pass and approve this Ordinance to bring the Village of Dixmoor in compliance with the dictates of the Act; and

WHEREAS, the corporate authorities of the Village of Dixmoor strongly encourage the General Assembly to take immediate action to clarify the procedural and substantive provisions of the Act so elected and appointed officials and the employees of Illinois municipalities will have clear and unequivocal ethical procedures and rules that will control their conduct.

**NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF DIXMOOR, ILLINOIS, AS FOLLOWS:**

**SECTION 1:** The Code of Ordinances of the Village of Dixmoor is hereby amended with the addition of the following provisions:

**State Gift Ban Act**

**Sec. B-103. Local Ethics Commission: Complaints.**

- (c) To the extent that any of its provisions may be applicable, Section 45 of the Act shall be applicable to the Local Ethics Commission.
- (d) The complaint procedure and the enforcement and penalty provisions of the Act and this Ordinance shall be as are provided in Sections 60, 65, and 70 of the Act.

**Sec. B-104 Future Amendments to State Gift Ban Act.**

Any amendment to the State Gift Ban Act (5 ILCS 425/1 et seq.) that becomes effective after the passage of this Ordinance shall be incorporated into this Ordinance by reference and shall be applicable to the solicitation and acceptance of gifts. However, any amendment that makes its provisions optional for adoption by municipalities shall not be incorporated into this Ordinance by reference without formal action by the corporate authorities of the Village.

The Ordinance shall be deemed repealed without further action by the corporate authorities of the Village if the Act is found unconstitutional by the Illinois Supreme Court.
