NOW, THEREFORE, BE IT ORDAINED by the Village President and Village Board of Trustees of the Village of Dixmoor, Cook County, Illinois, as follows:

AUTOMATED TRAFFIC LAW ENFORCEMENT SYSTEM

Traffic Compliance Administrator means the person appointed as such through Article 25 of the Code and shall have the following additional powers: adopt, distribute and process automated traffic law violation notices and other notices required by this Article, collect money paid as fines and penalties, operate the automated traffic law enforcement system, and make certified reports to the Secretary of State as required by this Article.

VIOLATIONS

It shall be a violation of this Article for a vehicle to disregard a traffic control device or turn on red in violation of Section 11-306 of the Code.

14.262 DEFENSES

The following may be considered defenses by the Hearing Officer for a violation of Section 14.261:

1. that the motor vehicle or registration plates of the motor vehicle were stolen before the violation occurred, and not under the control of or in the possession of the owner at the time of the violation;
2. that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession.

To demonstrate that the motor vehicle or the registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

14.263 NOTICE OF VIOLATION

When the automated traffic law enforcement system records a motor vehicle entering an intersection in violation of Section 14.261, the Village shall issue a written Notice of Violation to the registered owner or lessee of the vehicle, which shall be delivered by U.S. mail within 30 days after the Illinois Secretary of State notifies the Village of the identity of the registered owner or lessee of the vehicle, and in no event later than 90 days following the violation. The Village shall only be required to notify a lessee if the leasing company/lessor provides the lessee's name by an affidavit and a copy of the lease within 60 days of the notice's issuance. If the driver information is not provided within 60 days, the leasing company/lessor may be found liable. If any notice to an address is returned as undeliverable, a second notice shall be sent to the last known address recorded in a United States Post Office approved database of the owner or lessee of the cited vehicle. The second notice shall be made by first class mail postage prepaid.

A Notice of Violation associated with an automated traffic law violation shall require a review of the associated recorded image by the Traffic Compliance Administrator, who shall inspect the image and determine whether the motor vehicle was being operated in violation of Section 14.261, or whether one of the defenses enumerated in Section 14.262 is visibly applicable upon inspection. Upon determination that the recorded image captures a violation and that no defense applies, the notice of violation shall be served upon the registered vehicle owner in the manner provided for above. The Traffic Compliance Administrator shall retain a copy of all violation notices, recorded images and other correspondence mailed to the owner of the vehicle. Each Notice of Violation shall constitute evidence of the facts contained in the notice and is

admissible in any proceeding alleging a violation of the above-noted statutory and local provisions and shall be *prima facie* evidence of a violation, subject to rebuttal on the basis of the defenses established in this Article.

The Notice of Violation shall include the following information:

5. the date and time of the violation;
6. a copy of the recorded images;
7. the amount of the civil penalty and the date by which the penalty should be paid (21 days from the date of issuance), if a hearing is not requested, and a statement that the payment of the fine shall operate as a final disposition of the violation;
8. a statement that a failure to pay the civil penalty by the date noted may result in an additional late fee being assessed against the owner or lessee;
9. the amount of the late fee;
10. a statement that the failure to pay by the date specified will result in a final determination of liability and may result in the suspension of driving privileges for the registered owner of the vehicle;
11. a statement that the recorded images constitute *prima facie* evidence of a violation;
12. a statement that the person may elect to proceed by paying the fine or challenging the charge in court, by mail or by administrative hearing; and

13. a statement of how an administrative hearing may be requested.

14.264 HEARING

The owner of a vehicle being operated in violation of Section 14.261 may request a hearing by the respond-by date on the Notice of Violation (21 days from the date of issuance), to challenge the evidence or set forth an applicable defense. The Notice of Violation shall constitute evidence of the facts contained in the notice and is admissible in any proceeding alleging a violation of Section 14.261. The Notice of Violation shall be *prima facie* evidence of a violation, subject to rebuttal on the basis of the defenses established in Section 14.262.

The owner's failure to appear at the hearing will result in a finding of liability. In the event of a failure to appear, a "Findings, Decision and Order" letter will be sent to the owner. The owner's failure to pay the amount by the date specified in that letter will result in a final determination.

14.265 NON-RESIDENTS

Where the registered owner or lessee of the cited vehicle is not a resident of the Village but seeks to contest the merits of the alleged violation, such person may contest the charges using the same available defenses as stated above, but rather than attend the administrative hearing, they may submit any and all documentary evidence to the Traffic Compliance Administrator no later than the hearing date, together with a written statement reflecting that they are Non-Residents of the Village.
